

SAY YOUR NAME, INC.

Infrastructure Sponsorship & Office Build-Out Underwriting

“We are not fundraising for extras—we are building what must exist for survivors to be served with dignity.”

PARTNER WITH OUR MISSION

Say Your Name, Inc. is establishing a dedicated office presence in Charles County to ensure survivors are met with professionalism, safety, and care from the very first interaction.

This is a private office space within a professional building. Core access already includes internet, conference room use, and shared printing. We are now building the essential internal infrastructure required to make this space fully functional, welcoming, and operational.

CURRENT STATE

The organization is currently operating with minimal internal infrastructure—a desk and a chair.

Your partnership helps transform this space into a fully equipped, mission-ready environment.

WHAT YOUR SUPPORT BUILDS

Office Environment:

Furnishings, client intake space, storage, and a warm, welcoming atmosphere

Technology & Equipment:

Laptop, monitor, and essential office systems

Case Management System:

EMpowerDB implementation, including upfront setup and annual subscription

Operational Readiness:

Supplies, documentation tools, communication, and administrative setup

SPONSORSHIP LEVELS

\$2,500 — Infrastructure Anchor

- Laptop and monitor setup
- EMpowerDB access (setup or annual)
- Client intake and meeting space
- Office furnishings and equipment

NEXT STEPS

The quality of service delivery is directly tied to the infrastructure we build now.

We are building with intention and urgency.

Your partnership ensures that when survivors walk through our door, we are fully equipped to meet them with dignity, consistency, and care.
